# About Dairy Joy

Necessity and a daily habit, dairy is something that reaches and connects every home. Dairy is the first on our list, be it doorstep deliveries or nearby grocery store tasks. Dairy Joy brings a change in nature's purest form by conveying strength and joy through daily habits. And to provide the finest, dairy deserves the best of care. That's why Dairy Joy.

A conscious initiative that gives back and provides the backbone of our dairy industry with consistent support and awareness. Dairy Joy is transforming the industry with small steps of change that focus on the importance and need for pure, natural milk in rural and urban areas.

Through established ties of trust and quality, Dairy Joy provides farmers with knowledge and experience for better quality and preservation of dairy products.

With a range of milk products and their by-products, Dairy Joy is coming up with more than 13 products in the market. From Milk, Shrikhand, and Amrakhand to Ice creams and Kulfis, Dairy Joy is everything you need.

Vikram Bhosale and Shantanu Maske started the dairy to empower and provide the rural sector with pure and hygienic dairy products for a healthier lifestyle. Not just for dairy farmers but also consumers.

# Company Profile

Established in 2021, Dairy Joy started with a vision to create an asset that provides and gives back to the community. An initiative built by Shantanu Maske and Vikram Bhosale, the executive directors of Dairy Joy, to bring stability to the lives of farmers and provide natural and pure dairy products.

Dairy Joy brings together a set of healthy, natural and pure dairy product range directly sourced from local farmers and then transported to processing and packaging. Introducing more than 13 products in the market, Dairy Joy hopes to empower the urban area with pure and hygienic products and provide rural areas with a healthier lifestyle.

A healthier lifestyle for consumers and our dairy farmers, Dairy Joy comes with thorough experience and generational knowledge in dairy farming and processing. Building a healthier community, Dairy Joy is keen to share this growth with communities both urban and rural communities.

The idea is to provide and give back to the community with naturally and directly sourced dairy products. Through three pillars of purity, quality and trust, Dairy Joy seeks to resolve the problems of stability in our farmers' lives and provide better for our community.

A conscious initiative, Dairy Joy, gives back to the community and provides the backbone of our dairy industry with consistent support and awareness.
